aired on hallmark channel on april 13 2003 it was directed by michael landon jr and stars katherine heigl as a young woman named marty claridge it is the first in a series of television movies made for hallmark channel based on the books , 'love takes wing love es softly 7 by janette oke

May 24th, 2020 - the first book love es softly was the first i ever read by oke my introduction into her sweet warm and simplistic style of stor yes i ve switched to put the editions from the 80s on my read shelf since those are the ones i read and own and i m partial to the stories in all of their old fashionedness before the updated covers and later book edits that have gone into newer editions '
